12/7/2006

- I. Roll Call-  
The following were in attendance:  
ASUM-Western – Whitney  
ASMSU-GF COT – AJ  
MSU-Northern – Samantha  
ASMSU- Billings – Kevin  
ASUM- Missoula – Andrea
  
- II. New Information-
  - A. Kasandra with MT Campus Compact/ Raise Your Voice brought forward a Monetary Request to have MAS cover one night of lodging at the Wingate Inn in Helena for MAS due paying schools who plan to attend Day at the Statehouse 2007. The event is scheduled for February 11 and 12, which is a Sunday and Monday. Kasandra blocked 16 rooms at the Wingate. The additional rooms are extra for campuses to pay out of their own budget if they would like to bring more students. There would be 4 people for room. Kevin motioned for MAS to pay for one room per current MAS member campus. AJ seconded. Votes will be cast via email from the other current MAS members.
  - B. Andrea brought some information for us to keep in mind for the Legislature. She stressed that each campus should strive to unite in order to impress upon the legislators the view of all college students.
  
- III. Updates from last meeting- The only subjects brought up from last meeting were the Bylaws Subcommittee and distance education. The Bylaws Subcommittee should only be a couple of conference calls to assemble ByLaws for MAS. The committee's official appointment is set for January. There was an inquiry if a student representative was needed specifically for distance education at the Board of Regents level.
